- There are solos, duets, trios and quartets as well as featured solo lines in group songs. These are available to students who audition **from any year**.
- Group numbers will be performed by Tran Year students only. There will **not** be a chorus from other year groups as we are limiting numbers due to Covid 19.

Give your audition as much energy as you can and don't hold back. There's no need to be nervous. Go for it!

Best of luck -

Ms Lohan.
